Dear Glenferness Residents

RE: Site Meeting for any questions re the Farmer's Market at Lachlan and Main.

I hope you are all keeping safe and well.

We have been asked questions about the Farmer's Market that we are not always able to answer. Consequently, we have arranged a meeting on site with the developer, Peter Gillespie, between 4.30 and 6.30pm on Wednesday 14 October. Peter will be on site for at least those two hours to provide additional information about the Market and you will be able to address your questions to him directly.

Please make use of this opportunity to engage with Peter.

Regards

Alan Brews
GRA Chair on behalf of the Committee
