

**8 December 2023**

**Community Beautification.**

Dear Community,

You will have noticed the Glenferness Lifestyle Village Road names being erected and also the many trees that have been added to the community.

Please may we request your assistance on Friday the 15th of December for a few hours.

We need able bodied men and women who can assist with building the pillars for street signage, mowing and brush cutting of the park.

The more hands we have, the quicker we will complete the task.

By the end of this year we will have completed all street signage to the West of Lachlan Road and within the first quarter of 2024 all street signage for the whole of Glenferness will be completed.

Please make an effort to spend some time with us, or send some of your staff, bring your tools and lawn equipment and let's continue to improve this beautiful community we live in.

Friday 15 December 2023 from 09:00 till 12:00.

Regards

Alan Brews
